# Lee's Summit Woodworkers' Guild, Inc.

## President's Corner By Greg Hull Fall Is In The Air?

It's finally fall. It's the season for cooler weather and time for woodworking. Now that I get a few hours a week back from lawn work, I have a little more time for woodworking. I spent Sunday working on a refinishing project in the Garage with the doors open. It's a welcome change from the heat. Fall is also the start of the holiday season and where we start thinking about gift making. I look forward to our "show and tell" sessions in November and December as the ideas our members come up with are amazing. This month, our meeting will be a little different. There won't be an actual business part of our

meeting, instead we'll have a pot luck event as well as be hosting a display and demo from Mark Sharkey with Milwaukee, Rigid, and Ryobi tools. We'll still be having a raffle. But as we'll be in the shelter, I don't plan on space for show and tell. Next

the list. We'll have maps and directions available at the meeting. Going forward, November will be our election of officers. Last meeting we asked for volunteers to run for the officer positions. If you'd like to take a more active role within the Guild for the upcoming year, please contact me or any of the other board members. ☺

## October Meeting Hand Cut Dovetails-Part 2 By Roy Wall

The October meeting will be moved up to the **6-8pm time** slot to allow for grilled hamburgers and hot dogs. If you did not sign up to come to the picnic, fill free to come anyway. If you are attending the picnic please bring a side dish of some sort. You will also need to bring your own drinks.

REMINDER: WE ARE MEETING AT THE WEST END OF THE PARKING LOT IN THE

SCHOOL SHELTER.

Mark Sharky will bring the Milwaukee/Rigid Tool trailer and demonstrate all the latest tools from those companies. The usual agenda for the guild meeting will be dropped. There will be a

raffle, but there WILL NOT be a show and tell time.

Looking forward to a Great Fall Meeting!☺

Roy Wall

### For Sale

Kevin Newman has a 38" RBI drum sander model 438 for sale. It's similar to the one pictured on the left.

The drum sander is a 5HP single phase. The feed rate is 22ft per minute.

It includes mobile base, manual, and sandpaper. Asking \$400. If interested, call Kevin at (816) 509-4238 or email [h i m a t m k n s a w d u s t @ c o m c a s t . n e t](mailto:h i m a t m k n s a w d u s t @ c o m c a s t . n e t) ☺

### Officers & Opportunities

The guild has a number of opportunities for someone to step up and serve. We are looking for anyone that might be interested in filling one of the officer positions.

We are also looking for someone to take over the Newsletter Editor position and the Raffle coordinator position. Kevin Newman has been filling these positions for many years and is stepping down. These positions will need to be filled starting in January of 2012.

Please considered serving your guild in one of these roles. ☺

### Membership Dues

Acceptance for next year will begin on the November Meeting and run thru February.

Dues are \$15 for the entire year.

All LATE DUES paid in March or after will be \$20. ☺

## Secretaries Notes For September 12, 2011

### Secretaries Notes

President Greg Hull called the meeting to order at 7:00 p.m. General statements made by the President were:

**GUILD DUES** – 2011 dues will be \$15.00 (members receiving e-mail) and \$25.00 for members wanting a paper copy (US MAIL).

**TOY PROJECT** -Supporting our raffle gives you a chance to add to your collection of needed supplies and tools and also a way of giving back to the community through your charitable donation. Thanks to those that are supporting this project.

**MEMBER PICTURES** – Be sure to get your picture taken and review those on file to insure they are correct.NOTE: The picture book is to be published no later than the OCTOBER meeting-better have yours taken!!

**FACEBOOK** – Available now. Check with Greg.

**OFFICERS-** Don't forget that this is your GUILD and we need to elect a NEW SLATE OF OFFICERS for the 2012 year-please volunteer.

**MEETING NOTICES** – During bad weather tune to CHANNEL 41 for any cancellation of the GUILD meeting.

**GUEST/VISITORS** - Welcome and please sign the registry (this gets you a copy of the newsletter for the next two months). Attendance was 75.

### SHOW AND TELL

1. George Mann had a SEGMENTED TURNED BOWL and EVERAL LANDING NETS.
2. Bryan Appleton had SOME UNIQUE PLAYING DICE.
3. Don Williams had a FOLDING BASKET.
4. Jim McCord had SEVERAL JEWELRY BOXES.
5. Jay Helland had THREE SEGEMENTED BOWLS.
6. Gary Barth had a SERVING TRAY.
7. Curt Tyhurst had SEVERAL BOXES MADE FROM CHERRY.
8. Burt Brown had a COUCH TABLE.

9. Pansy Legall had a CROSS, a CROSS PICTURE and a FIDDLE BOX.
10. Arlie Reimer had a FLOATING TOP TABLE (with all the hot air in the room the top was getting away).
11. Lester Gillett had a PORCH SWING.
12. Preston Goodwin had a BENCH of RECYCLED WOOD.
13. Dave Peterson had a ROUTER TABLE CABINET.

Thanks to those that participated and hope we did not overlook some members project. Also, remember that you are entered in a drawing if you participate in Show an Tell.

**PROGRAM**—Vice President Roy Wall introduced our program presenter for tonight who was non other than himself. Roy has stepped up once again to take us through “HAND CUT DOVETAILES- PART 2”. As is the case you can watch this process over and over but will never master the art of dovetail making unless you get behind the saw. Roy had many examples of what a proper dovetail should look like, but you may like the looks of the hidden joint for your project (the reason is obvious). Thanks to Roy for his time and great presentation. Don't forget to help Vice President Roy Wall by keeping a lookout for anything that would be of interest to our members and thank him for his efforts to bring us a program each month.

**COOKIES:** Thanks to the guild for providing the cookies.

### NEXT MEETING—October 11, 2011.

President Greg closed the meeting at 9:00 p.m.

Respectfully Submitted,

Bill Akers

## Raffle - Work Sharp Tool Sharpener

This month's featured raffle item is a Worksharp WS2000 Bench Top tool sharpener.

The Work Sharp 2000 Tool Sharpener & Grinder is the grinding and sharpening solution for the home hobbyist and do-it-yourselfer who wants sharp tools quickly and easily.

The WS2000 offers 3 ways to sharpen and grind your tools: Top Side with Tool Rest, the Chisel and Plane Iron Port, and the Edge-Vision Port. The Work Sharp 2000 Metal Workers Tool Sharpener & Grinder sharpens chisel and plane blades up to 1 5/8" wide to a perfect 25° bevel angle

without any set up time! New - Knife Sharpening System attachment available now!

The WS2000 also sharpens lawn mower blades, axes, scrapers, putty knives, carving tools, lathe tools, and much more! Work Sharp can sharpen and grind nearly any tool in your shop. Work Sharp uses a powerful 1/5 hp motor and produces a max wheel speed of 1750 RPM, so it can handle heavy sharpening and grinding tasks. Work Sharp offers an active air cooled sharpening port with routed air flow and heat sink design to quickly sharpen your tools without overheating or damaging the

steel.

The horizontal grinding wheel of the Work Sharp 2000 Tool Sharpener & Grinder provides a larger grinding area and better control than a traditional vertical grinding wheel. Also you don't have to worry about tools kicking back because you are grinding on a surface that's moving away from you.

The WS2000 offers 2 Edge-Vision wheels (150mm) and uses both solid and slotted adhesive backed abrasives so you can quickly and easily change between coarse and fine grits. The innovative

Edge-Vision sharpening method allows you to see the cutting edge of tools while you sharpen.

Raffle tickets can be purchased at the meeting for \$2.00 each or 3 for \$5.00.

All proceeds will be used to benefit our charity fund and the Toys for Tots program. ©
